DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance:

Upon applicant's amendment, Ratakonda in view of Altunbasak previously applied does not have a "motion histogram on which homogeneity of a micro-segment is computed and includes a plurality of bins, each bin of which shows the percentage of frames with a specific type of motion". Further searches were conducted which yielded no prior art. Therefore, the prior art fails to teach or render obvious these limitations taken within the others in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Czekaj whose telephone number is (703) 305-3418. The examiner can normally be reached on Monday - Friday 9 hours.
